DEVELOPMENTS 2006

OFFICE.

TOTTS INC is now located at Riverside Gardens Community Centre at 55 Riverside Boulevard Douglas 4814 in a office at the rear of the building overlooking the Ross River. We hold our Management Meetings in the old Board Room and our General Meetings in the much larger open space. The whole building is air conditioned and we are slowly purchasing new office equipment although we still use discarded computers. Members are invited to visit the office when ever it is open for business.

BUS

We have access to a number of Community Buses but were eventually able to purchase a 14 seater Toyota Bus just before Christmas with grants from Townsville City Council, Pilotlight and The Community Benefits Gaming Fund. This new bus allows us to move people during working hours with support from Community Buses available during the week. Some Community Buses can only be used on weekends. This is 17 years since one was a promise in 1989 by a Political Party to cater for Townsville Seniors.

TOURS

Day tours are being arranged and members should keep in touch with the office to take advantage of a day out to various parts of the Region.

CORPORATE GOVERNANCE

Every Organisation should have certain Rules to help Management run it and at TOTTS INC because we are a Charity and Not-For-Profit we have our Incorporation Rules, Policies, Risk Management, Taxation Rules and we in Management have Corporate Governance Rules as well. Corporate governance involves establishing and maintaining a set of values and behaviours that underpin TOTTS INC everyday activities; in particular to ensure that management and employees deal fairly with others with transparency and protect the interests of its members.

BUSINESS PLAN

The Business Plan is being developed under the able and competent Treasurer, Owen Jones, and it will help to develop TOTTS INC into a workable Community Transport System in the Greater Townsville Region which will set a blueprint for the rest of the State. Records show there are dozens of reports on unmet transport, costing Millions of Dollars but not providing a solution . We are sure TOTTS INC will do that for the socially isolated people in the community.
